

AHC10210 Certificate I in Agrifood Operations

Years 10, 11 and 12

COURSE OUTLINE

AHC10210 is a nationally-recognised qualification derived from the AHC10 Agriculture, Horticulture and Conservation Land Management Training Package (Release 8.0)

This qualification is an entry-level qualification aimed at individuals entering the agriculture, horticulture and conservation and land management industries. It allows individuals to develop basic skills and knowledge to prepare for work. They may undertake a range of simple tasks under close supervision. The range of technical skills and knowledge is limited.

This course is suited to students with no previous connection to the agriculture, horticulture or conservation and land management industries or relevant employment history.

QUALIFICATION: AHC10210 Certificate I in Agrifood Operations

Entry Requirements	QCE Points	Timing	Duration
Nil	Two (2)	Two intakes per year; Term 1 and Term 3	1 Semester

ACH10210 Certificate I in Agrifood Operations

ASSESSMENT

Assessment in this course is based on Competency Based Training (CBT). Competency can be achieved via a variety of VET modes of assessment including submission of tasks, face-to-face demonstration to an assessor, work placement (third party observations) and web conferencing.

Students in this course will be Working Towards Competency (WTC) across all six (6) competencies. To gain the full qualification in Certificate I Agrifood Operations, students must successfully complete all six units as Competent (C). Students who do not successfully achieve all six units of competencies receive a Statement of Attainment for those units of competencies achieved successfully.
